# BORDER INSPECTION POINT

Algeciras Port BIP is the only one in Spain which is a **First Category BIP** and is **authorised by the European Union** to import and export all types of products, cold and frozen goods.

## "REFRIGERATED GOODS" INSPECTION PROCES

## "PORT COMMUNITY SYSTEM"

It provides the Port Community with traceability and transparency of merchandise throughout the entire port logistics chain, improving coordination between agents, inspection procedures and handling of perishable goods.

## On-Site Schedule

Monday to Friday:

**8:30 to 22:00 h**

Except customs until **23:00 h**

Saturdays, Sundays and public holidays:

**10:00 to 14:00 h**

**16:00 to 22:00 h**

## Customs "single window"

The physical inspection of customs and border inspection services are carried out at the same time and in the same place.
