

***“One-stop
Service for
your reefer
cargo”***

“Fast and Simplified Inspection Process”

The implementation of the “Port Management System” and “Port Community System” result in a simplified inspection process, reducing considerably the transit time of your perishable goods through the port facilities.

24 HOURS BEFORE ARRIVAL:
**APPLICATION FOR CUSTOMS
CLEARANCE**

UPON ARRIVAL:
GOODS ARE ALREADY CLEARED

**ONE-STOP SHOP AT BORDER
INSPECTION POINT (BIP):**
**CUSTOMS AND HEALTH INSPECTIONS
AT SAME PLACE AND TIME**

ALGECIRAS PORT
**DISTRIBUTION PLATFORM FOR
EUROPE AND AFRICA**

Authorized Economic Operator (AEO)

Some benefits of being an AEO:

- ▶ Fewer physical and document-based controls.
- ▶ Prior notification in case of selection for physical or for customs control.
- ▶ Priority treatment if selected for control.
- ▶ Possibility to request a specific place for customs controls.
- ▶ Other indirect benefits such as recognition as a secure and safe business partner, improved relations with Customs and other government authorities, etc.
